EDUCATION

Oregon State University

Bachelor of Science in Computer Science
Minor in Business and Entrepreneurship

Graduating June 2018

GPA of 3.58

EXPERIENCE

Software Development Intern, CDK Global

June 2017 - August 2017

- Developed a dashboard for tracking account migration with other interns, making both a backend API and a frontend search UI
- Assisted in creating Jasmine/Protractor UI tests for the team's login page
- Participated in the company's Hackathon, and built a React application with other engineers

Student IT Consultant, Oregon State University

July 2016 - Present

- Support for students and employees of OSU for a variety of technical issues, including but not limited to application errors, network connections, active directory permissions, and computer hardware failure

PROJECTS

D&D Companion App

Spring 2017

- Built an Android application for a reference guide for D&D 5th Edition, using the D&D5e API

Character Sheet Manager

Fall 2016

- Created a database with a PHP front end for managing character sheets for a tabletop role playing game

SKILLS AND QUALIFICATIONS

- Programming languages: Java, C++, Python, Oracle SQL, MySQL, JavaScript, AngularJS, HTML, and CSS
- Technologies: Spring Boot, Protractor, Git, JIRA
- Applications: Git Bash, IntelliJ, DataGrip, Microsoft Visio, TOAD

COURSE HIGHLIGHTS

- Introduction to Usability Engineering
- Studies in Inclusive Design
- Operating Systems 1 and 2
- Mobile/Cloud Software Development
- Database Management Systems (Completing Winter 2017)
- Senior Software Engineering Project 1-3 (Completing Spring 2018)

COMMUNITY AND CAMPUS INVOLVEMENT

Communications Coordinator, Corvallis ChickTech

Fall 2017 – Present

- Established social media presence, maintain the chapter's website, create monthly newsletter

Member, Oregon State University Linux Users Group

Winter 2016 – Present

- Attends weekly meetings on Linux and new and useful programming related tips

Coach, Beaver Hangouts

Fall 2016 – Fall 2017

- Presented regular lessons about why and how to go to college as part of an outreach program for rural and underrepresented public school students
